

## How Snapplify has **simplified and streamlined** access to digital learning at **Dominican Convent High**

### Key Challenges

#### Digital Textbook Procurement Challenges

Difficulty sourcing and managing digital textbooks for a wide range of subjects..

#### Barriers to Literacy Through Digital Content Access

Limited access to eBooks and materials to promote literacy and reading engagement.

#### Fragmented Digital Teaching Tools and Workflows

Teachers had to juggle multiple systems for sharing content and classroom management.

#### Inconsistent Offline Access and Cross-Device Compatibility

The school's reliance on internet-only access limited learning in low-connectivity areas and caused compatibility issues across different devices.

### How Snapplify Engage Helped

Dominican Convent High has seen significant improvements since adopting Snapplify.

#### ✔ Google & Microsoft Integration

Google Classroom and Microsoft Teams were integrated into Engage to support existing classroom tools.

#### ✔ Book Buddy AI Deployment

Book Buddy AI was introduced to give students an intelligent reading companion and teachers a support tool.

#### ✔ SSO Rollout with Engage

Snapplify Engage with Single Sign-On (SSO) was rolled out across the school.

#### ✔ Offline Learning with Book Reader App

Snapplify Book Reader App was deployed to allow offline learning, note sharing, and content access anywhere.

"The digital library and Book Buddy AI have been game changers – improving student engagement and promoting independent reading. The integration with Microsoft Teams and Google Classroom also made it seamless for teachers to deliver content and manage learning digitally."

**Macdonald Chidavaenzi**  
ICT Administrator

The transition to Snapplify Engage was smooth and efficient. The Snapplify team provided hands-on support and training for teachers and administrators, ensuring they were comfortable with the platform. The integration process was seamless, making it easy for students and staff to adapt quickly.

## Implementation

### Streamlined user onboarding

With the integration into Dominican Convent's information systems, onboarding and user management is simple and seamless.

### Streamlined textbook purchasing

Students and teachers no longer experience delays in obtaining textbooks.

### Subscription management

Subscription management via Engage for 3rd party subscriptions and use of the App Gallery to role out new apps.

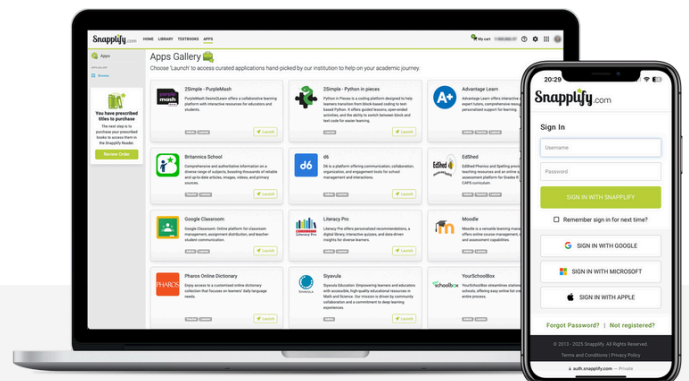

### Early Access

Learners and educators have access to digital textbooks from day 1 while payment is being made.

### 24/7 support

The school has access to dedicated support 24/7 for learners, educators and parents.

## The decision to choose Snapplify

By leveraging Snapplify Engage, Dominican Convent High School has transformed its digital learning experience. The school now enjoys seamless access to Cambridge digital textbooks, a centralised learning platform, and an efficient system for teachers and students.

## About Dominican Convent High

Dominican Convent School in Harare, Zimbabwe, is a well-established educational institution committed to providing quality education to young girl learners. The school focuses on academic excellence and innovation, ensuring students receive the best learning resources available.
