

La Rochelle Girls High School

How La Rochelle GHS Made Digital Learning Seamless with Snapplify Engage

Key Challenges

Textbook Management

High costs associated with printed materials

Too many platforms

The need for a user-friendly, centralised digital learning platform

Book Purchase Administration

Logistical issues for students managing multiple books and cumbersome textbook procurement processes

Support Issues

Limited availability of up-to-date digital resources and the necessary support for parents and teachers

Improvements and Successes

La Rochelle Girls High School has seen significant improvements since adopting Snapplify, including:

✓ Better Access

Students have better access to learning materials, leading to improved engagement and performance.

✓ Noticeable cost savings

We noticed a significant reduction in costs for both the school and parents.

✓ Digital-first learning approach

Snapplify has made it possible for us to transition to a digital first Approach.

✓ All Textbooks in one place.

Students appreciate the convenience of having all their textbooks in one place. The overall teaching and learning experience has been enhanced.

"Snapplify Engage has transformed our school's approach to digital learning. The platform is user-friendly, and both students and teachers find it intuitive. The support from the Snapplify team has been exceptional, ensuring a seamless transition. The affordability, accessibility, and integration make it an ideal solution for schools going digital."

Subject Head: CAT, La Rochelle GHS

La Rochelle GHS's journey with Snapplify Engage demonstrates how digital transformation in education can be both cost-effective and impactful. With dedicated support from Snapplify, the school has embraced a digital-first approach—ensuring that teachers and students have seamless access to high-quality learning resources, anytime and anywhere.

Implementation

Streamlined textbook purchasing

The Engage platform streamlined ebooks and hard copy textbook purchasing for greater efficiency and simplified textbook purchases.

Streamlined user onboarding

With the Access integration into Curro School information systems, onboarding and user management is simple and seamless.

Subscription management

Subscription management via Engage for 3rd party subscriptions and use of the App Gallery to role out new apps.

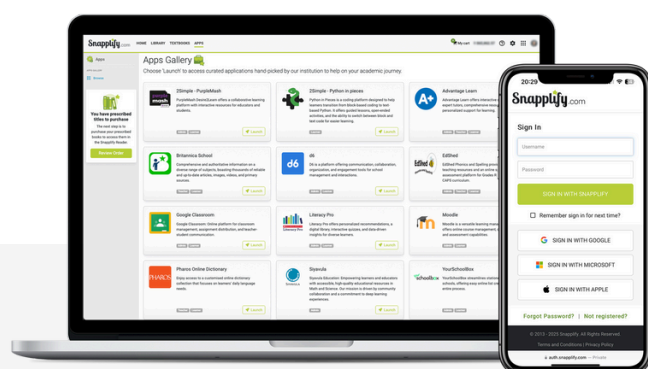

Early Access

Learners and educators have access to digital textbooks from day 1 while payment is being made.

24/7 support

The school has access to dedicated support 24/7 for learners, educators and parents.

The decision to choose Snapplify

The school explored various digital solutions before selecting Snapplify Engage, thanks to its key advantages:

- Instant access to a vast range of digital textbooks
- Cost savings compared to printed materials
- Seamless integration with Microsoft Teams
- Offline access for students to study anywhere, anytime
- An intuitive platform designed for both teachers and students
